The Assessments shall be set on a calendar year basis (the "Annual Assessment Period") by the Board of Directors and may be collected on a monthly, quarterly, semiannual or yearly basis, as determined by the Board of Directors. The Assessments shall be charged to each Owner of a Lot in Use. The Assessments, together with interest, late fees, and costs of collection (including reasonable attorneys' fees), shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation for the delinquent Assessments shall not pass to such Owner's successors in title unless expressly assumed by them. The Association shall also have the authority, through the Board of Directors, to establish, fix and levy a Special Assessment on any Lot to secure the liability of the Owner thereof to the Association arising from breach by such Owner of any of the provisions of this Declaration.

Each Owner covenants for itself, its heirs, successors and assigns, to pay each Assessment levied by the Association on each Lot conveyed to such Owner within ten (10) days of receipt of an invoice for the same; and if such charge shall not be paid within thirty (30) days from the date that the invoice is deposited, postage prepaid, in the United States mail, in an envelope addressed to such Owner at its address as it appears on the books of the Association or to such other address as the Owner shall have designated in writing, the amount of such charge shall become a lien upon such Lot and shall continue to be such a lien until fully paid.

- 7.2 Purpose of Assessments. The Anticipated Annual Assessments for the approved Budget shall be the basis for calculating the Annual Assessment to be charged each Owner for the upcoming Annual Assessment Period.
- b) Notwithstanding the above to the contrary:
- (i) Through and including January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum Annual Assessment per Lot shall not exceed Two hundred forty dollars and no/100 (\$240.00) per Lot in Use.
- (ii) An annual increase shall not be more than ten percent (10%), except by approval of at least two-thirds (2/3) of the votes of each class of Members who are voting in person or by proxy at a meeting called for this purpose. The provisions of this subsection shall not apply to, nor be a limitation upon, any change in the maximum annual assessment undertaken as an incident to a merger or consolidation in which the Association is authorized to participate under this Declaration or its Articles or Bylaws.
- (iii) Subject to the provisions of this Article VII, the Board of Directors may fix the Annual Assessment at any amount not in excess of the maximum Annual Assessment allowed for the applicable calendar year.
- 7.4 Working Capital. In addition to the regular Assessments to be charged and paid hereunder, each Lot Owner shall, at the time of the initial sale of each Lot by Declarant to that Lot Owner, pay to the Association a sum equal to two (2) months Assessment on that Lot as additional working capital of the Association. These amounts need not be segregated, but may be commingled with regular Assessment funds. This working capital Assessment shall be paid by the Lot Owner notwithstanding the fact that Declarant may have made prior regular Assessment payments to the Association on the Lot being sold in accordance with the provisions hereof.
- 7.5 Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the costs of any construction, reconstruction, restoration, repair or replacement of a capital

Improvement upon the Common Area, or any other unexpected expense for which the Association is responsible, provided that, any such assessment shall have the assent of sixty-seven percent (67%) of the votes of each class of Members who are voting in person or by proxy at a meeting duly called for this purpose.

- 7.6 Notice and Quorum for Any Action Authorized Under Sections 7.3 and 7.5. Written notice of any meeting called for the purpose of taking any action authorized under Sections 7.3 and 7.5 shall be delivered to all Members entitled to vote not less than ten (10) days nor more than sixty (60) days in advance of the meeting. If mailed, such notice shall be deemed to be delivered two (2) calendar days after being deposited in the United States mail, addressed to the Member at its address as it appears on the books of the Association, with postage thereon prepaid. At the first such meeting called, the presence of Members or of proxies entitled to cast sixty percent (60%) of all votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
- 7.7 Uniform Rate of Assessment. Both Annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis. Notwithstanding anything to the contrary contained hereinabove, the assessment for Lots for which dwelling construction has been initiated and a certificate of occupancy for Improvements located thereon has not yet been issued shall be one-third (1/3) of the regular assessment for developed Lots.
- 7.8 Date of Commencement of Annual Assessment/Due Date. The Annual Assessments shall commence as to a Lot on the first day of the month following the date it becomes a Lot in Use. The first Annual Assessment shall be adjusted according to the number of months remaining in the calendar year. Written notice of the Annual Assessment shall be sent to every Owner subject thereto at least fifteen (15) days in advance of each Annual Assessment Period. The due date of the Annual Assessment shall be January 15 or as otherwise established by the Board of Directors. The Association shall, upon demand at any time, furnish a certificate in writing signed by an officer of the Association setting forth whether the Assessment on a specified Lot have been paid. A reasonable charge may be made by the Board for the issuance of these certificates. These certificates shall be conclusive evidence of payment of any Assessment as to third parties acting in reliance on the statement.
- 7.9 Effect of Nonpayment of Assessments: Remedies of the Association. Any assessments, which are not paid when due, shall be delinquent. The Association shall have the option to declare the outstanding balance of any assessment due and payable if any installment thereof becomes delinquent. If the assessment is not paid within thirty (30) days after the due date, the assessment shall incur a late charge of \$25.00 and bear interest from the date of delinquency at the rate of twelve percent (12%) per annum or the highest rate allowed by law, whichever is less, and the Association may bring an action at law against the responsible Owner and/or foreclose the lien against the applicable property. Each Owner, by acceptance of a deed to a Lot, expressly vests in the Association, its agents, or assigns, the right and power to bring all actions against the Owner personally liable for the collection of a debt and to enforce the lien by all methods available for the enforcement of such liens, including foreclosure by an action brought in the name of the Association in a like manner as a mortgage or a deed of trust lien on real property. Each Owner also expressly grants to the Association a power of sale in

connection with foreclosure of a lien for Assessments. The lien provided for in this Article VII shall be in favor of the Association acting on behalf of the Owners, which shall have the power to bid at foreclosure and to acquire and hold, lease, mortgage and convey the foreclosed property. No Owner may waive or otherwise escape liability for assessments by non-use of the Common Area or by abandonment of said Owner's property.

- 7.10 Subordination of the Lien of Assessment to Mortgages and Ad Valorem Taxes. The lien of the assessment provided for herein shall be subordinate to the lien of any first mortgage (or deed of trust) and ad valorem taxes. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to such mortgage or tax foreclosure, or any proceeding in lieu thereof, shall extinguish the lien of such assessments as to payments, which became due prior to such sale or transfer. No sale or transfer shall relieve the Owner of any such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
- 7.11 Exempt Property. All properties dedicated to and accepted by, a local public authority, the Common Area and all properties owned by a charitable or non-profit organization exempt from taxation by the laws of the State of North Carolina shall be exempt from the assessments created herein. However, no land or Improvements devoted to dwelling use shall be exempt from such assessments.
